A WORD FROM THE DIRECTOR

Welcome to the 2010 Spring Training Institute. It has been two years since our last conference and much has developed in our state and mental health system since that time. The conference agenda for this year is impressive, offering opportunity and alternatives to all in attendance. I believe that each presentation and workshop will help us continue to move our mental health system in a direction that is meaningful for the persons we serve and a direction that recognizes them as a partner in the process of providing treatment and support.

Thank you very much for taking the time to attend and participate in this important event.

Sincerely,

Keith Schafer, Director
Department of Mental Health

SCHEDULE OF EVENTS

A schedule of events is included in this brochure. Please note that these are preliminary programs and are subject to change without notice. Other areas of interest will be included as presenters are confirmed. Please periodically check the Department of Mental Health's website at www.dmh.missouri.gov or the Missouri Institute of Mental Health's website at www.mimhtraining.com for conference updates. You can register online at the MIMH website.
